

## Civil CAD Services

✓ **CAD Conversions**

– for digitalization, design modification & better visualization from PDFs, hand sketches & Point Cloud Data

✓ **Professional Drafting & Modelling**

– as per international standards & photorealistic rendering

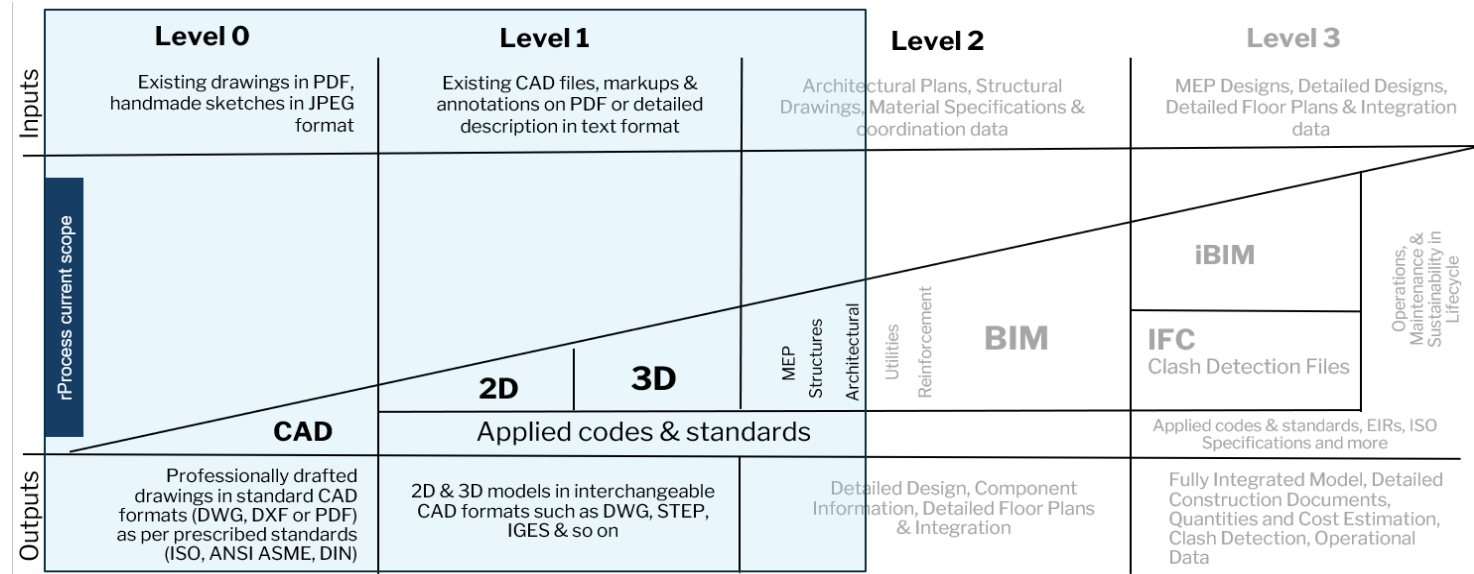

✓ **Architectural & Structural Modelling & Conversions**

– for visualization & simulation

✓ **Mechanical Electrical Plumbing (MEP) Drafting Services**

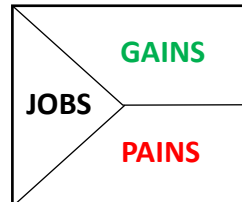

– for system integration & functionality

## Building Information Modelling (BIM) Services Framework

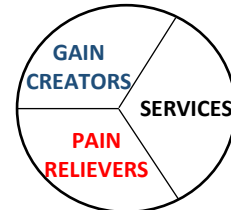

## Value Proposition

- ✓ **Skilled** engineering team.
- ✓ Local and on-site **expertise**.
- ✓ Seamless **team coordination**.

**CUSTOMER PROFILE**

**VALUE MAP**

- ✓ **High quality, fast delivery.**
- ✓ **Simplified** resource management.
- ✓ **Competitive** pricing.

- **Professional** Design Services
- **MEP** Solutions
- Comprehensive **BIM Support**

- × **Scalable** solutions.
- × **Optimal** resource utilization.
- × **Zero** resource overhead.

## Tool Expertise
